//Students, insert link here before sharing for

**How well does the game hold your interest?**

**Does the game flow well? Are the levels fluid or confusing? Why?**

**Do the conductive items match the theme well in the game? Can you tell which item to grab to score points? Does the creator need to rethink the items? Why? or Why not?**

**Rate the Creator's pronunciations on a scale of 1-5. Explain your ratings.**

**Finish this statement: I wonder.....**

**Finish this statement: I like.....**
